

Knightsbridge School – 11+ Results
2010 - 2011

We hope that all our boys and girls stay with us until 13, however we are committed to helping every child achieve the right school for them taking into account their academic and non-academic abilities as well as ambitions and personality. To this end, all Senior School members of staff work extremely hard to ensure that our boys and girls are ready for 11+ exams should they choose to take them.

Please be aware that we have only offered Year 7 as an option from September 2010 and previously all our children had to take 11+ exams.

GIRLS
